Irish Cardiac Society (ICS) Spring Series 2021

Following the success of last years Summer Series we are delighted to announce details of the Irish Cardiac Society Spring Series 2021. Delivered over three evenings, Thursday April 29th, Thursday May 27th and Thursday June 24th, the Spring Series will provide attendees with the opportunity to hear keynote presentations by expert faculty across a range of cardiology topics.

The society remains committed to the delivery of educational events throughout the COVID-19 pandemic and looks forward to your support and participation in our 2021 Spring Series.

Prof Vincent MG Maher

MD, FRCPI, FESC, FACC
