Case Competition

Trainees from Ireland and the US are invited to submit abstracts for the AIMS case study competition which will take place at lunchtime on August 22nd in RCSI Dublin. There should be an emphasis on the use of innovation in this case presentation.

Irish trainees are invited to submit their abstracts to donnamccullagh@rcsi.ie with the subject line: **Aims Case Competition**. A number of judges from the relevant specialties will be involved as well as industry leaders in innovation.

Maximum word count 200.

Abstract deadline submission date 21st June.
